

## **Health Insurance Exchanges.....OBAMACARE**

**Half the people enrolling in new, qualified health plans are expected to get a federal subsidy to help pay for premiums. See if you qualify.**

**Subsidies are based on your age, the age of other members of your family and your family income. Using subsidy rates for the 2014 open enrollment, the subsidy can be up to \$550 per month.**

**Here is a typical family example:**

**Mr/Mrs both age 40 with two children under 21**

### **Annual Combined Family Income**
